Pledge It Fundraiser

Sponsored by BNHS Football Booster Club

Parents,

Our 2019 season is almost underway and this year we are conducting a new fundraiser that each player is required to participate via the BNHS Football Booster Club. The fundraiser is simple and is all done online through the Pledge It website. Many school districts charge players to participate in athletic activities and we are very fortunate that our district doesn't, however these cost are covered by the support of the booster club to fundraise. We are only allowed per UIL rules to have no more than three fundraising events per year and we already have our football game day program and our annual golf tournament. The Pledge It Fundraiser will be our third fundraising event for the season with a goal for each player to raise a minimum of $200 total and our goal as a booster club is to raise $50,000.

1. Go to https://pledgeit.org/bnhs-football-booster-club-fundraiser/fundraise
